Profile

We, Lelawati Institute of Science and Management, have gained the auspicious status of being one of the best distance education institutes in India. In the strategy of survey, we occur as the top marking institute in terms of excellence of education, placement witness, facilitating infrastructure, well-managed faculty, and many more. The total programme of us is plan-based that can reach the candidate to the uppermost level of success.

Our Distance Education programme is committed to provide career-oriented educational programs at the Diploma, Bachelors, Postgraduate Diploma and Masters Levels through Government recognized University as well as AIMS-ATMA. It is an ISO 9001:2008 Certified By KVQA India, and NORSK Akkreditering of Norway for being a "Quality education and training provider"

Our Objectives of the Distance Education Program is To provide high quality, value-based, career-oriented education to the student and working professionals. To facilitate students in understanding, developing, integrating and applying both core and specialized concepts and practices. To provide students with a stimulating and learning-friendly atmosphere so that they can utilize their intellectual capacities to specialize in various areas of study. We provide our students an environment for IT & Management training for BCA, BBA, BBM, B-Tech/B.E, BSC, B.COM, MBA, MCA, M.COM and MSC.

Distance Education/correspondence courses from AIMS-ATMA in such a way that to produce energetic, effective, efficient and ethically driven graduates and postgraduates to serve society. For the betterment of students Lelawati institute regularly conducts various Seminars and Personality Development classes, Industrial visits, English Communication classes and many grooming exercises to prepare for challenging corporate employments. Stability, Excellent services & betterment of students is in our sole blood, that's the reason we stuck in this field of career for more than Eleven years with an alliance by means of top most apparent University as well as AIMS-ATMA in the grassland of IT & Management organization. Design & Structure : Distance Education simply means imparting education from a distance wherein the teacher and the student are physically separated. In terms of design and structure, the common features of Bachelors and Masters Degree programs are as follows:

- The medium of instruction is English.
- Part time contact classes are conducted in the Institute.
- Comprehensive Course Content provided to the students.
- Flexible class times for working professionals.

Comprehensive courseware will be supplied to all the students. Each book is written in self-instructional style and consists of introduction, objectives, structure of units, main contents, self-test activities and suggested reading.

In addition, students will be given regular and part time counseling classes by well trained faculty members. We go through an excellent study of the market and it's newly advanced technical terminologies and our best effort is to modernize each of the candidates in a successive way so that they can get employment in top shot organizations. We make them ready them for the future. We are one of the India's best MBA Distance/correspondence institutes that harmony the top courses with a proper management studies.

LELAWATI INSTITUTE OF SCIENCE & MANAGEMENT

An ISO 9001:2008 Certified International Distance Learning B-School

Placements

100% Job Placement Assured

LISM has a well established, comprehensive and dynamic Training & Placement Cell, comprising of versatile and experienced faculty. we believe that our job is not just to train you, but also to set the right field for your perfect career launch. The placement cell of LISM conducts seminars, pre placement talks and campus interviews which make the students confident while interacting with employers in the industry. At LISM, we stress on ability creation rather than just imparting knowledge on a certain domain. This is helpful for the students at the end of their course.

They can get quick placements and several offers after a course from LISM.
